The Marble Antiquities of the Right Hon.ble the Earl of Pembrokes at Wilton are too many to be Drawn but by several hands there being of Statues, Bustos, Bafs Relievs and Miscellanies each relating to a great variety of Uses as appears best by a Book that there is digested in a Scientifique method with Instructive Divisions and Illustrations, However there has been some Graved as appears by that Book, Of the Statues I have drawn & Etch'd in Imitation of Perrier all except 25 more Statues that there are & were drawn by one who had not leisure to do more, Rather then draw againe any of the Statues that he had done I have Etch'd two fine Greek Bafs-Relievs to make my Plates even 40.

They may be had of me Cary Creed at the Jarr between Cecil and Salisbury Streets in the Strand, and Mr. Prevost the Book seller near it has some of mine, as may any other Book seller. Price 20 Shill.s
